M. C. S. No. 283/36.

My dear Ramanathan

In enclosing herewith an extract from the proceedings of the meeting of the Committee for the management of the Mysore Civil Service Examination held on 25th June 1936 regarding "Interview" included under Part I of the compulsory group (vide Notification dated 6th April 1936 paras 9 and 14), I am to state that the Committee were of opinion that such of the candidates who would not get the minimum number of marks for a pass even if they were given the maximum in the 'Interview' need not be called up for the same. This will save considerable expense and avoid waste of time in examining all the candidates who are to be called up for the 'Interview'.

Cag 'N'

If Government approve of the above proposal, as soon as the marks lists for the four papers in the compulsory group are received, they will be tabulated, and all those who would not get the minimum for a pass (50%), even if they were given the maximum in the Interview will be declared to have failed, and only the others will be called up for the Interview. Of these, those who finally secure 50% in the compulsory group will be allowed to take the II Part of the Examination in December.

Yours Sincerely
N. S. Subba Rao

"As regards the 'Interviæw', it was considered desirable that only those who had a chance of going on to the second part should be called for the same. It was suggested that those who would not get the prescribed minimum for a pass in Part I, even if they were given the maximum number of marks in the Interview, need not be called. If this proposal was approved by Government, the 'Interview' might be fixed for the 20th and 21st November 1936. Otherwise, it would follow the written Examination and come off on the 4th and 5th November 1936, and if necessary, the following day, batches being notified each day."
